

DHANUSH R

Java Full Stack Developer | Software Engineer

Chennai, Tamil Nadu, India | +91 9361902056 | dhanutech04@gmail.com
LinkedIn: linkedin.com/in/dhanush-r-44394229 | GitHub: github.com/dhanutech04

PROFESSIONAL SUMMARY

Performance-driven Computer Science Engineering graduate (2022–2026, 8.1 CGPA) seeking an entry-level Java Full Stack Developer position. Possesses strong hands-on expertise in Core Java 21, Object-Oriented Architecture, Spring Boot RESTful microservices, and relational SQL database design. Proven ability through real-world internships at Kaashiv InfoTech and enterprise training at Login360 to engineer scalable web backends, optimize data queries, and collaborate seamlessly across cross-functional teams to deliver maintainable software solutions.

TECHNICAL SKILLS

Programming Languages: Core Java (Java 21/17, OOP, Collections, Multithreading, Exception Handling, Streams), SQL, Python
Backend & Frameworks: Spring Boot, Spring MVC, RESTful Web Services, Hibernate ORM, JPA, JDBC, Microservices
Frontend Technologies: React.js, JavaScript (ES6+), HTML5, CSS3, Angular (Fundamentals), Responsive Web Design
Databases & Storage: MySQL, Oracle Database, SQLite, Relational Schema Design (3NF Normalization), Query Optimization
Developer Tools & Practices: Git, GitHub Version Control, Maven, Postman, Eclipse, IntelliJ IDEA, VS Code, Agile/Scrum

PROFESSIONAL EXPERIENCE

Java Full Stack Developer Intern

Kaashiv InfoTech | Chennai, India

Internship Program • Java Full Stack Application Development

- Backend Development:** Engineered modular RESTful APIs using Spring Boot, Core Java, and Hibernate ORM for enterprise CRUD workflows.
- Database Persistence:** Structured relational MySQL schemas, executed normalized SQL joins, and optimized query execution times.
- API Integration & Testing:** Connected backend endpoints with frontend interfaces and systematically tested payloads using Postman.

Marketing & Business Communications Executive

Prime Vector Private Limited | 2 Months

Professional Communication & Client Acquisition Tenure

- Client Communication:** Spearheaded direct client interactions and product communications, driving daily engagement goals.
- Cross-Functional Collaboration:** Partnered with business teams to align delivery requirements, honing negotiation and communication skills.

TECHNICAL PROJECTS

Movie Ticket Booking System

Core Java, OOP, Collections, Multithreading, SQL

- Architecture & Logic:** Developed an end-to-end booking engine implementing strict OOP design patterns and Collections (ArrayList, HashMap).
- Concurrency & Validation:** Built thread-safe seat locking validation logic to prevent double-booking race conditions across simultaneous checkouts.
- Persistence:** Integrated SQL transactional handling for customer reservations, showtime schedules, and instant digital receipt generation.

ML-Based Web Application Firewall (WAF)

Python, XGBoost, Machine Learning, Cyber Security

- Threat Detection Engine:** Simulated an enterprise WAF intercepting HTTP traffic to detect SQL Injection (SQLi) and Cross-Site Scripting (XSS).
- Hybrid Classification:** Integrated deterministic regex inspection with an XGBoost ML classification model, achieving high classification precision.

RedStore E-Commerce Web Platform

HTML5, CSS3, JavaScript (ES6+), Responsive UI

- Frontend Interface:** Crafted a modern responsive e-commerce interface featuring dynamic product catalog displays and smooth cart workflows.
- Interactive State:** Implemented client-side DOM manipulation, input validations, responsive design across mobile/desktop, and checkout logic.

EDUCATION

Bachelor of Engineering (B.E.) in Computer Science and Engineering

2022 – 2026

Asian College of Engineering and Technology | Anna University Affiliated

CGPA: 8.1 / 10.0 (First Class Track)

CERTIFICATIONS & KEY ATTRIBUTES

- Enterprise Certifications:** Java Full Stack Development Program (Login360 Academy) | Full Stack Internship Certificate (Kaashiv InfoTech)
- Core Strengths:** Object-Oriented Design, Algorithm Debugging, Problem-Solving, Fast Adaptability to New Frameworks, Team Collaboration
- Languages Known:** English (Professional Working Proficiency), Tamil (Native Speaker)
